NMFTA|CRC|CCSB January 2011 Meeting – Special Election of Board of Directors

Alexandria, Virginia - The National Motor Freight Traffic Association, Inc. (NMFTA), the Classification Resource Committee (CRC), and the Commodity Classification Standards Board (CCSB), held their January meetings in Alexandria, Virginia on Monday, January 24, 2011. NMFTA convened during the afternoon session and held a special election of the Board of Directors to fill an at-large vacancy left by the retirement of member Paul Meyer. Michel Belisle was elected to serve in the Directors-at-Large position.

Additionally, a number of Committee and Subcommittee working meetings also took place during the one-day meeting including Commerce, Government Relations, Carrier Procedures, Weighing & Research, and Outreach. The next meeting of the NMFTA|CRC|CCSB will take place at the Pointe Hilton Squaw Peak in Phoenix, Arizona on May 1 – 4, 2011. Both the CRC and CCSB meetings are open to the public and all parties interested in the classification process are welcome to attend.

About NMFTA

Founded in 1956, NMFTA's mission is to serve as a research and development organization providing the transportation industry with the necessary information to advance and improve their interests and welfare. NMFTA is committed to helping the industry meet the transportation challenges of today through research, education, and publication of specifications, rules, transportation codes and the preparation and dissemination of studies, reports and analyses.

NMFTA's autonomous CCSB maintains the National Motor Freight Classification (NMFC) on behalf of all NMFC users. NMFTA also assigns the Standard Carrier Alpha Codes (SCAC) and produces SCAC Online. Additionally, NMFTA assigns the Standard Point Location Codes (SPLC) and produces SPLC Online.
